Dear Chairman, dear Orazbek,

Congratulations with your re-election as Chairman of Kazakhstan Industrial Trade Union of Power Engineers. The times are challenging, transformative even. A strong workers' and union voice in Kazakhstan and elsewhere is so crucial to defend the rights of workers and to fight for workers, working families and our communities.

I look forward to continue working with the union and hope to meet soon.

In the meantime, I wish you much success, and many victories for workers and the union.

In solidarity,

Jan Willem Goudriaan  
EPSU General Secretary
